On Sunday 15th June, the school hosted our first working bee for the year. We had a super turnout of parents, volunteers and children who all helped getting lots of jobs done around the school. The yard looks so much tidier and we were amazed at just how much work was completed. As they say “Many hands make light work.

Thanks must go to David Dewar and Mick Fishlock for their organisation on the day, Tania S who kept the troops fed and to Kris Mott & Dave Henty-Smith who also helped out. It was amazing . Mick is so appreciative of the extra help.

It was a chilly Sunday morning. A great morning to stay inside with a hot drink and a paper. The kids are asking "is it time yet"? So we packed ourselves into the car and left. In 3 hours we visit 3 playgrounds and 1 sandpit with fresh sand. The kids had a field day making new friends and exercising without even knowing it.

The parents socialised with other parents whilst working out. Yes it was the Aldinga Beach B-7 School Working Bee. Thanks for the refreshments and the enjoyable morning with the family and other families of the school community.

MID YEAR SCHOOL REPORTS

All students will be bringing home their mid year reports on Wednesday 2nd July. Please check that these are passed onto you and take the time to share with your child/ren his/her achievements.

We are very proud of the progress our students are making and want to congratulate them all for putting in a big effort to produce their best work.

EDUTECH CONFERENCE

Nine of our teachers recently attended the 2014 Edutech conference in Brisbane. The group listened to an amazing group of speakers discussing worldwide trends in 21st Century Learning.

The teachers returned to school buzzing and have already started implementing some of the things that they saw and heard.

The team have formed a professional learning community (PLC) and will meet regularly over the next year to drive new innovation at school. It was a great experience for all involved and one that I hope we can be involved again in the future.
