**TRAFFIC at Aldinga Beach B-7 School**

The City of Onkaparinga is preparing to upgrade Quinliven Road in the next 4 months similar to the recent upgrade near Galilee School. Below is a letter from the City of Onkaparinga advising all owners/occupants of the reconstruction. Next page is a map outlining the proposed changes. All the plans can be viewed in the courtyard on the community notice board.

Thank you for helping keep our children safe by respecting council signs and rules.

CANTEEN NEWS
Did you know.......The Canteen has a selection of home made hot lunches including Chow Mein and Quiche (Zucchini muffin)? Both are packed full of vegies, some from our very own school kitchen garden and the quiche is served with a fresh garden salad. Both fall into the ‘green’ category so can be eaten on a daily basis!! Cost for both of these is $4.20 each.

We still have our ‘Reusable’ Lunch Order bags at the canteen at a special price this term of $8.50. Available in Blue, Green and pink. They are great for regular lunch orders, and also great for the environment. Hurry While stocks last.

MENTOR PROGRAM

A huge thank you to the Aldinga Beach Community Bank, a branch of Bendigo Bank, for their generous support of the Generations Together Technical Learning Program. This program is available to all year 7s and is held at the Aldinga Bay Community Shed. Aldinga Beach Community Bank has donated $3,000 to fund the program in 2014, and our school looks forward to a positive partnership in the future.

The Aldinga Beach Community Bank is well known in the community for its vital ongoing support of many community groups and initiatives. We are most grateful to have such a fantastic community resource.

Once again this amazing Aldinga School community has dug deep and worked like crazy to support both Bookweek and the Bookfair. The Bookfair just took off with people going out of their way to put books in kids’ hands; a really exciting time for all involved. Thanks to your incredible generosity, the library was able to select over $900 of free books from the bookfair and still has about the same amount of credit to spend through bookclubs over the next twelve months.

The Bookweek assemblies were just heaps of fun. I can’t believe the effort and imagination that people put into costumes for our dress-up day; I am convinced that the job of judging is becoming harder every year. We gave away around 80 prizes (books and posters) and only wish we could have given away heaps more.

Special thanks to those people who were able to jump on board and help out during those incredibly hectic sale times. Two of our SSOs put in their own time to “man the tables and the posters” while two of our senior students gave up their before school time to help keep an eye on things and help it all run smoothly.

As a librarian and a lover of literature, it warms my heart to see the enthusiasm with which this community supports this week in particular. We know that people who read are more literate and every book that is put in a child’s hand is a step toward that child gaining greater confidence and independence.

We can only say thankyou so many times without it losing its meaning but we are just so grateful for the support of this awesome community.

Chris Packer and Gillian Whiting (Library Staff)
The children had **still life** as a drawing experience.

Still life drawing encourages a child to focus on the finer points of an object; it encourages children to really observe an object and draw in more intricate detail.

The children found it challenging. It was a wonderful opportunity to talk with children about persistence and about art not needing to be perfect.

It can't be wrong as it is an expression of self.

**Outcome 3: Children have a strong sense of wellbeing.**

- Children enjoy moments of solitude.
- Children celebrate their own efforts and achievements and those of others.
REMINDER: to look at the community notice board in the court yard for community events or general information.
